From the President

-Shannon DeVivo, A.M.ASCE

As we ring in the New Year, I would like to encourage all members to attend our January meeting on January 17th. The meeting will be attended by Region 7 Director Dr. Vaughan Griffiths. Dr. Griffiths will talk briefly about the Region and the Society. This meeting is held jointly with the University of Nebraska-Lincoln Student Chapter. Student members will also give a brief overview of ASCE Student Activities.

With February slowly approaching, E-Week is just around the corner and ASCE is looking for volunteers to promote the 25th Annual Truss Bustin' Event to local high schools. The event will be held on February 23rd and is a great way for high school students to test their engineering skills and hopefully win some great prizes. Also happening on February 23rd is the Peter Kiewit Institute's Spring Open House for high school students. Any member interested in helping with either activity can contact me via e-mail (shannon.devivo@urs.com).

Sincerely,

Shannon DeVivo, A.M. ASCE

December Management Group Meeting Summary

The Nebraska Section's Management Technical Group hosted the December meeting and presentation on December 20, 2012. The presentation by Ralph Lassiter covered the topics of developing employees, roles of managers, and what it takes to retain good employees.

The list below can be considered official documentation of attendance at the December 20, 2012 meeting worth one (1) PDH credit.

Daren Konda
 Jeffrey Mihulka
 Mike Sklenar
 Amgad Girgis
 Ralph Lassiter

Loras Klostermann
 John Smith
 John Hill
 Chuanbing Sun

Tyler Klusaw
 Aaron Buettner
 Shannon DeVivo
 Mike Naccarato

Brian Havens
 Doug Kellner
 Warren Digman
 Teresa Konda

NEASCE Younger Member Group Toy Drive

Article by Andres Torres, Co-Chair YMG – Nebraska

On Friday, December 7th, the Younger Members Group got together at a local restaurant in Omaha for our annual Younger Members Toy Drive. The toys collected in this toy drive were donated to “Toys-For-Tots”. It was a great opportunity to network and enjoy some holiday spirit with other Younger Members. We also want to thank all the Younger Members who participated in this event. Their donations help some children experience the joy of Christmas.
