

Helping Hands Yard Cleanup

April 25, 2009 at 8 a.m.

Lamp, Ryneanson, & Associates (14710 West Dodge Road)

We would like to invite you to participate in a community service effort for the Helping Hands program run by the Keep Omaha Beautiful organization. The Helping Hands program matches volunteers to help the elderly and disabled with yard cleanup. We have a great opportunity to help this organization! Plan to meet at the LRA office the morning of April 25, and car pool to the yard clean up site. We will provide breakfast and cleanup equipment for volunteers.

Please reply to this email by Wednesday, April 22 if you would like to help out with our Helping Hands cleanup. If you have any questions please contact Amelia Toellner (actuellner@terracon.com, 330-2202) or Joe Flaxbeard (Joe.Fluxbeard@lra-inc.com, 496-2498) the younger member co-chairs bringing you this event. Hope to see you there!!

Additional information about the Helping Hands program can be found at www.keepomahabeautiful.org
